2013 Pinot Gris Estate

"Our Pinot Gris is sourced from two blocks--main, planted 1986-1988, and the House block, planted in 1992. These older vines produce crops that are consistently ripe with complex flavor and aroma."

Winemaking Notes

The grapes were harvested by hand, sorted in the field and whole cluster pressed. The juice settled overnight and then racked to a stainless steel tank for a cool primary fermentation. After fermentation was complete the wine aged on the lees until bottling.
