2017 Müller-Thurgau Estate

“Müller Thurgau is our most popular white wine. We planted a small block in 1986 and as our estate vineyard expanded, our plantings have increased to three acres.”

Winemaking Notes

The grapes were harvested by hand, sorted, and whole cluster pressed. The juice settled overnight and was racked to stainless for cool fermentation. When fermentation was complete, the wine was racked off the heavy lees and aged until bottling the following spring.
